---

Good afternoon Safe Routes to School Partners, Practitioners and Friends,

You're invited to join us to learn about infrastructure funding at our upcoming **Safe Routes to School workshop**, *Applying for Safe Routes to School Infrastructure Projects* on February 5<sup>th</sup>. This is a **great opportunity** to learn how to **leverage Safe Routes to School data for a winning proposal** and **make these projects a reality!** This workshop provides an overview of upcoming opportunities and best practices for school administrators, school districts, SRTS coordinators, municipalities and anyone interested in learning how SRTS projects are funded.

**Please RSVP by Tuesday, February 4<sup>th</sup>!**

<https://securing-funding-for-infrastructure-projects.eventbrite.com>

This workshop takes place at:

San Mateo Pride Center

1021 S. El Camino Real San Mateo 94402.

Refreshments will be provided. Please share this opportunity with your partners, parent groups, co-workers, etc.!

**Safe Routes to School Workshop Series**

**Applying for SRTS Infrastructure Funding**

**Where:** San Mateo Pride Center  
1021 S. El Camino Real, San Mateo 94402

**When:** 9-11AM February 5, 2020

Join us to learn about funding opportunities for infrastructure projects, how to leverage Safe Routes to School data for a winning proposal and how to make these projects a reality! This workshop provides an overview for municipalities, school districts and schools on how to fund SRTS infrastructure projects. Light snacks and refreshments will be provided.
