Dear Congresswoman Speier:

On behalf of the San Mateo County Transportation Authority, I write to thank you for your support of our application for the Better Utilizing Investments to Leverage Development (BUILD) grant for the San Mateo County U.S. 101 Express Lanes Project.

The U.S. 101 Express Lanes Project will reduce traffic congestion, improve travel time, and increase overall corridor throughput. The Project will also provide an incentive to utilize public transportation and carpooling services, reducing the number of single occupancy vehicles on the road and improving travel time for lane users.

Thank you again for your continued support of this project that is so fundamental to the vitality and future growth of the Peninsula, our region, and the state's economic prosperity. We truly appreciate all of your efforts and unwavering willingness to help.

Sincerely,

Jim Hartnett, Executive Director
