

SAN MATEO COUNTY TRANSPORTATION AUTHORITY MEASURE A AND MEASURE W PEDESTRIAN AND BICYCLE PROGRAM CALL FOR PROJECTS CYCLE 5

TOWN OF PORTOLA VALLEY PORTOLA RD & CORTE MADERA RD PEDESTRIAN CROSSING PROJECT

The current site conditions consist of a marked crosswalk on a two-lane road with an inoperable first generation lighted crosswalk on Portola Road at Brookside Drive. This crosswalk is in front of the Woodside Priory prep school and close to Ormandale Elementary School. The crossing will help children and parents walking or biking to school, recreational hiking and biking, and transit users be better visible to motorists on this higher speed roadway.

The project will relocate the existing crosswalk at Portola Road at Brookside to just south of Portola Road at Corte Madera Road with an installation of a Rectangular Rapid Flashing Beacon (RRFB) system and associated grading and pathway extensions. Improvements to this crosswalk will address safety concerns that have been raised by the community about this intersection and as documented in the Towns Pedestrian Safety Study by its Traffic Engineering consultant.
