

TA Board of Directors
Meeting of August 6, 2026

Correspondence as of July 31, 2026

Subject

1. Public Comment: FW: Calbike opposition to prop 45.
2. Mass transit, bike lanes, EV infrastructure face substantial cuts in DOT proposal
3. OPINION: California is demanding more housing near transit, even as it starves its transit systems to death
4. Public Comment: The roads to the coast are killing people — please act
5. Public Comment: Don't let another person die on Hwy 35, 84 or 9
6. Public Comment: A safety corridor for Hwy 35/84/9 — my name is on it
7. Public Comment: Please make Highways 35, 84 and 9 a safety corridor
8. Public Comment: Fix Highways 35, 84 and 9 before the next death
9. Public Comment: Constituent petition — stop the deaths on Hwy 35, 84 and 9
10. Public Comment: Don't let another person die on Hwy 35, 84 or 9
11. Public Comment: Fix Highways 35, 84 and 9 before the next death
12. Public Comment: Fix Highways 35, 84 and 9 before the next death
13. Public Comment: I'm asking you to act on the Hwy 35/84/9 corridor
14. Public Comment: Your constituents are dying on Hwy 35, 84 and 9
15. Public Comment: Highways 35, 84 and 9: a preventable death toll
16. Public Comment: Subscribe: Highway 35/84/9 corridor updates
17. Public Comment: Don't let another person die on Hwy 35, 84 or 9

18. Public Comment: A safety corridor for Hwy 35/84/9 — my name is on it
19. Public Comment: A safety corridor for Hwy 35/84/9
20. Public Comment: I'm asking you to act on the Hwy 35/84/9 corridor
21. Public Comment: Petition: designate & fund a safe corridor on Hwy 35, 84 and 9
22. Public Comment: From Mountain View: please fix the deadly Hwy 35/84/9 corridor
23. Public Comment: Requesting a designated safety corridor on Hwy 35/84/9
24. Public Comment: Please make Highways 35, 84 and 9 a safety corridor
25. Public Comment: Your constituents are dying on Hwy 35, 84 and 9
26. Public Comment: Your constituents are dying on Hwy 35, 84 and 9
27. Public Comment: Requesting a designated safety corridor on Hwy 35/84/9
28. Public Comment: Highways 35, 84 and 9: a preventable death toll
29. Public Comment: Highways 35, 84 and 9: a preventable death toll
30. Public Comment: Subscribe: Highway 35/84/9 corridor updates
31. Public Comment: Petition: designate & fund a safe corridor on Hwy 35, 84 and 9
32. Public Comment: Adding my name: a safe corridor for Hwy 35, 84 and 9
33. Public Comment: Fix Highways 35, 84 and 9 before the next death
34. Public Comment: Adding my name: a safe corridor for Hwy 35, 84
35. Public Comment: Requesting a designated safety corridor on Hwy 35/84/9
36. Public Comment: Constituent petition — stop the deaths on Hwy 35, 84 and 9
37. Public Comment: Constituent petition — stop the deaths on Hwy 35, 84 and 9
38. Public Comment: Please make Highways 35, 84 and 9 a safety corridor

39. Public Comment: A safety corridor for Hwy 35/84/9 — my name is on it
40. Public Comment: Petition from Portola valley: make Hwy 35, 84 & 9 a safety corridor
41. Public Comment: From 94024: please fix the deadly Hwy 35/84/9 corridor
42. Public Comment: The roads to the coast are killing people — please act
43. Public Comment: Please make Highways 35, 84 and 9 a safety corridor
44. Public Comment: Requesting a designated safety corridor on Hwy 35/84/9
45. Public Comment: Adding my name: a safe corridor for Hwy 35, 84 and 9
46. Public Comment: A safety corridor for Hwy 35/84/9 — my name is on it

The devil is always in the details. Sometimes bad components kill good ideas. Prop 45 has some good parts to it, making it easier to build good road projects. The problem is that it also makes it easier to build terrible projects that will greatly increase GHGs, Climate Change, pollution, decrease safety, and all the other ills of bad highway projects.

See CalBikes analysis: <https://www.calbike.org/why-calbike-opposes-proposition-45/>

Mass transit, bike lanes, EV infrastructure face substantial cuts in DOT proposal

Building and expanding interstate highways is a priority for the administration's next surface transportation legislation, Transportation Secretary Sean Duffy said in a letter to six Senate leaders.

Transportation Secretary Sean Duffy speaks an event May 28, 2026, in Washington, D.C. His proposal to do away with the Highway Trust Fund's mass transit account would put more than 85% of federal public transit and passenger rail funding at risk, according to the American Public Transportation Association. *Retrieved from [U.S. Department of Transportation/X](#).*

Listen to the article4 min

Dive Brief:

- Transportation Secretary Sean Duffy proposed eliminating the Highway Trust Fund's mass transit account, which provides funding for public transportation, in a July 22 letter outlining the [administration's priorities](#) that was sent to six senators serving on committees with influence over the next surface transportation legislation.
- Duffy also proposed cutting funding for [Complete Streets activities](#) that focus on safety for pedestrians and bicyclists, bicycle lanes and grants for electric vehicle charging infrastructure. A competitive grant program to fund solutions to traffic congestion in U.S. cities would eliminate public transit system improvements and tolling programs from eligibility.
- None of the members of the House Committee on Transportation and Infrastructure, [where the legislation was drafted](#), were copied on Duffy's letter.

Dive Insight:

The draft House bill authorizes \$87.6 billion from the mass transit account of the Highway Trust Fund over fiscal years 2027 to 2031, an increase from \$69.8 billion allocated in the Infrastructure Investment and Jobs Act.

The DOT's proposal to do away with the mass transit account, which was established by Congress in 1982, would put more than 85% of federal public transit and passenger rail funding at risk, according to an emailed statement from the American Public Transportation Association.

The administration's key transportation goals include improving transit safety and security, supporting development of autonomous vehicles, ensuring freight railroad safety and building or expanding interstate highways, according to the letter. Duffy proposed creating a voluntary AV pilot program "with preemptive authority to avoid a patchwork of State laws," the letter said.

The DOT's policy would give priority to motor vehicles over bike lanes. "We urge Congress to restrict competitive and formula grant funding for bicycle lanes and other bicycle infrastructure that reduce travel throughput for motor vehicles and support removal of existing bike lanes that contribute to congestion," Duffy said in the letter. The Federal Highway Administration recently removed bike lanes from its safety measures list.

"My No. 1 priority is that we don't backslide from the funding levels in the bipartisan infrastructure law," Rep. Rick Larsen, D-Wash., told Smart Cities Dive earlier this year. "Transit and rail are going to be important." Larsen is the ranking member of the House Committee on Transportation and Infrastructure, where he has served for 25 years. Duffy also requested an additional \$1 billion toward its \$8 billion project to modernize New York Penn Station, which drew a response from Rep. Jerry Nadler, D-N.Y. "The administration has dodged oversight at every turn — refusing to issue a single public correspondence or congressional briefing on the issue," he said in a statement. "As the Congressman representing Penn Station, I have repeatedly warned that the Trump administration is weaponizing the Surface Transportation Reauthorization to strip local authorities of control over Penn Station at New Yorkers' expense."

The administration is also funding modernization of Washington Union

Station.

The House transportation committee passed a bipartisan surface transportation bill on May 17. Committee Chairman Sam Graves, R-Mo., said the bill “makes smart and targeted reforms to our surface transportation programs, focuses on strengthening our core infrastructure system, drives innovation, bolsters safety, ensures states have the flexibility they need, and cuts red tape to get projects built faster.”

The Senate has yet to propose a surface transportation bill, Bipartisan Policy Center Managing Director of Housing and Infrastructure Andy Winkler said during a July 14 Alliance for Innovation and Infrastructure webinar. Experts said during the webinar that they doubt the Senate will pass legislation before the current act expires on Sept. 30

Hebrews 13: 2; Do not forget to show hospitality to strangers, for

by so doing some people have shown hospitality to angels without knowing it.

(Acts 4:32) And yet again: "Great grace was upon them all. Neither was there any among them that lacked: For as many as were possessors of lands or houses sold them, and brought the prices of the things that were sold, and laid them at the Apostles' feet: And distribution was made unto every man according as he had need." (Acts 4:33-35)

"Whenever and wherever societies have flourished and prospered rather than stagnated and decayed, creative and workable cities have been at the core of the phenomenon... Decaying cities, declining economies, and mounting social troubles travel together. The combination is not coincidental." *Jane Jacobs*

"Throughout ancient history, cities have outlasted the empires that governed them. Ask yourself, are there any great countries that do not contain a great city? The answer is no. In fact you cannot imagine any stable state without a stable city. We talk about state-building when we should be talking about city-building." *Parag Khanna*

"The veneer of civilization is paper thin – we are its guardians and we can never rest." *Congressman Tom Lantos*

OPINION

California is demanding more housing near transit, even as it starves its transit systems to death

By [Allison Arieff](#), Opinion Columnist July 26, 2026

Gift Article

Workers install plumbing at a housing development at the El Cerrito BART Station on March 4. The state is encouraging housing at transit hubs, but funding for the public transportation they require is at risk.

Carlos Avila Gonzalez/S.F. Chronicle

I have a car but rarely use it. Because I am fortunate enough to live near transit, I take it just about everywhere I go. My BART commute takes less time, costs less money and results in far less greenhouse gas emissions than driving would. Yet California spends the vast majority of its transportation funds facilitating the latter option rather than the more sustainable, cost-effective one. The state of California spent \$30.9 billion for transportation-related programs in 2025-26. Roughly one-sixth of that went toward public transit, passenger rail and active transportation. California air regulators just redirected billions from the state's cap-and-invest program (which collects fees from oil and fossil fuel companies and distributes them among projects and agencies that reduce pollution) that many advocates expected would

continue supporting public transportation, affordable housing and other greenhouse gas reduction programs.

Where will that money go now? Mostly toward free emissions permits that could benefit oil refineries, manufacturers and other large industrial facilities.

According to Laura Tolkoff, transportation policy director at the urban think tank SPUR, transit dollars are always first on the chopping block in tight budget years, resulting in a funding stream that “is completely unpredictable.”

This leads to an annual rite of transit anxiety.

“You cannot run a transit system that serves millions of people with no predictability of how much funding you have and where that funding is coming

In November, voters will decide on local San Francisco and regional Bay Area tax measures meant to keep transit agencies afloat. But even if both pass, they would be only temporary reprieves, not long-term solutions.

Public transportation should not have to survive on emergency appropriations, temporary loans and annual budget fights. But it does.

California ranks near the bottom among peer states, New York, Massachusetts, Pennsylvania and New Jersey, in the share of transit operating costs covered by the state, leaving agencies unusually dependent on fares and local taxes.

As Kaleo Mark of the transit advocacy nonprofit Seamless Bay Area put it, “This is an arcane system we’d never have for car-based infrastructure.”

Think about what roads might look like were BART to

disappear. The Bay Bridge is already at 95% capacity. Without passage of the regional measure, the agency would be forced to cut 70% of service. Caltrain would run only once an hour and more than a third of stations would close. AC Transit service would be cut by 31% of pre-2019 levels. And Muni would be forced to cut up to 20 routes and eliminate service after 9 p.m.

Even more frustrating is that California has made truly impressive efforts over the past several years to enact laws requiring its cities to produce housing near transit. Yet it is failing to provide the transit funding that such development requires.

We can't have a land-use policy that says "build around transit," with a budget policy that says, "good luck funding it."

Part of the problem is the expectation of a mystical return to pre-pandemic ridership. But as public transit consultant Jarrett Walker has written, "That world is gone and not coming back. Transit agencies in the U.S. are rebalancing to grow their new markets, which are all-day, all-direction trips of many purposes, but of course this takes time."

We need to be focusing on accommodating new patterns of ridership — and new funding streams to support changing ridership realities. Not diverting even more money to fossil fuel dependence.

The only bright spot is that transit has never enjoyed broader political support than it does today. Housing advocates understand that building homes near transit makes little sense if the transit disappears. Business leaders increasingly recognize that the Bay Area's economy depends on people being able to get to where they need to go without overwhelming already congested bridges

and highways. Climate advocates see functioning public transportation as indispensable to meeting California's emissions goals. Labor organizations understand that workers need reliable ways to reach their jobs. Social justice advocates and younger voters see the interconnectedness of housing, transportation and climate. Regional organizations that once worked independently are coordinating across county lines.

"Over 90 organizations have endorsed the regional transit measure," said Emily Loper of the business association Bay Area Council. "Our members recognize that they can't grow and stay here if their employees can't afford to live here and can't get to work."

According to Mark, these groups are coming together to build a broader-based movement with the understanding that transit is in a dire situation — and that "if one of these pillars fall, all the others do. The crisis is bringing people into the movement." But transit advocates shouldn't have to spend every few years fighting to preserve existing service and prevent system-wide collapse. They should be organizing around upgrades, expansion and improved reliability and integration.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

I am a constituent, writing from Sunnyvale.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

IN MY OWN WORDS:

I often hike and bike in the Santa Cruz mountains along these highways. While hiking you can hear all of the race cars zooming along with no regard to safety. I rarely bike these routes anymore due to the danger. At work we had a bit of a scare this month when Jakub Solovsky was killed since we knew one of our coworkers was going to ride that route that morning and heard about the fatality over social media that day. While we were glad our friend wasn't the one who was killed, it's ridiculous that anyone has to die on those roads.

Please tell me what your office will do about it.

With urgency,
Eden Kung — Sunnyvale

PETITION — Safe Corridor for Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

IN MY OWN WORDS:

I biked on here before and have several friends who do the same. Drivers must stop operating heavy machinery at high speeds on this road. It is not a personal racetrack.

Every month of delay is measured in lives.

With urgency,
Rena — Fremont

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

I live in Palo Alto — I'm one of your constituents.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

IN MY OWN WORDS:

I ride on 84 and 35 all the time and have seen first hand a dead cyclist on the side of the road with cops all around. It's really disturbing how drivers treat these roads as their racing track. Please do something about it.

Every month of delay is measured in lives.

Thank you,
Manoj Asnani — Palo Alto

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

I am a constituent, writing from Woodside.

IN MY OWN WORDS:

We need a comprehensive to solution to fix this one and for all

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Please don't wait for the next death to act.

Thank you,
Walker Wells — Woodside

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

Writing as your constituent in Portola Valley.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

IN MY OWN WORDS:

As one of Portola Valley's Committee representatives for traffic safety and a keen cyclist, I wholeheartedly support this initiative. Many I have experienced first-hand, the dangerous and challenging conditions caused by irresponsible road users on highways 35, 84 and 9.

Every month of delay is measured in lives.

Thank you,
Edward Holland — Portola Valley

PETITION — Safe Corridor for Highways 35, 84 and 9

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

I vote in Pescadero, and this corridor is mine too.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

IN MY OWN WORDS:

I drive the coast highway to La Honda to work several times a week and over the hill several times a year.

I constantly get speeding cars coming up on my tail and most of them pass in no passing zones and on blind corners.

It is quite scary.

There are no well designated areas to pull off to let them pass.

Most of all, I would like to see more of these speeders pulled over by the highway patrol.

I'm tired of these drivers using our roads as raceway.

Thank you,
Cathy Gill

This is preventable — I'm asking you to prevent it.

With urgency,
Cathy Gill — Pescadero
Cathygsoleil@gmail.com

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

Writing as your constituent in Portola Valley.

IN MY OWN WORDS:

One of the loveliest roadways is one of the deadliest. Too many cars and motorcyclists use these roads as their private raceways. The most immediate solution is real enforcement of existing speed limits. Please ensure a substantially increased highway patrol presence so people slow down. Thank you.

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

I'll be watching what your office does with this.

In earnest,
Susan Adams — Portola Valley

My Wife and I drive this corridor at least twice a month on the way to San Gregorio Beach and dread that intersection of Hwy 35 and 84.

I am a constituent, writing from Portola Valley.

PETITION — Safe Corridor for Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Every month of delay is measured in lives.

In earnest,
Dean William Glover — Portola Valley

Subject: Highways 35, 84 and 9: a preventable death toll
Date: Thursday, July 30, 2026 12:04:48 PM

You don't often get email from [2013kingd@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I bike on roads leading to Skyline and on Skyline itself. Traffic can be intimidating, but they are some of the most gorgeous and fun roads to bike on. It's criminal that I have to fear for my life to recreate, while cars and motorcycles can fly down straightaways and swing around corners with zero consequence. Please do something!

I am a constituent, writing from Mountain View.

PETITION — Safe Corridor for Highways 35, 84 and 9

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please tell me what your office will do about it.

Signed,
Dori King — Mountain View

I vote in San Jose, and this corridor is mine too.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

This is preventable — I'm asking you to prevent it.

Thank you,
Kino park — San Jose

Subject: A safety corridor for Hwy 35/84/9 — my name is on it

[You don't often get email from jphillips00@comcast.net. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I am an avid cyclist and while I now live in Danville, I still ride in the Santa Cruz Mountains often. Highway 35 is of particular concern to me!

Please take measures to make these roads safer for all who use them.

I am a constituent, writing from Danville (formerly Campbell).

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C498b8c5b10944b668c1208deee6ea51a%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210356342192112%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoITWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=Tht0IPtp7N4IA4TON fUrTU%2Bzs71ccoARYxh9n125c58%3D&reserved=0>

This is preventable — I'm asking you to prevent it.

Thank you,

Jennifer Phillips — Danville (formerly Campbell) jphillips00@comcast.net

Subject: I'm asking you to act on the Hwy 35/84/9 corridor

[You don't often get email from cesar.ajuria@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

We need to stop blaming cyclists for this issues, reduce and enforce speeds. Make more 4 way stop signs. There are so many things that can be done.

I vote in Redwood City, and this corridor is mine too.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9 —

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

Subject: Petition: designate & fund a safe corridor on Hwy 35, 84 and 9
Date: Thursday, July 30, 2026 12:17:15 PM

You don't often get email from [sycamore43@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I am forced to stay off skyline just because of all the racing and reckless drivers there over the weekend. Cars should NOT be allowed to race there - they could race on a track instead. I suggest adding round about wherever possible to slow drivers down.

I vote in Cupertino, and this corridor is mine too.

PETITION — Safe Corridor for Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

Every month of delay is measured in lives.

Signed,
Grace Law — Cupertino

Subject: From Mountain View: please fix the deadly Hwy 35/84/9 corridor
Date: Thursday, July 30, 2026 12:17:30 PM

You don't often get email from ben.holzer@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Please make these roads safe for everyone -- the current situation is inexcusable.

Writing as your constituent in Mountain View.

A CONSTITUENT PETITION — Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please don't wait for the next death to act.

Respectfully,
Ben Holzer — Mountain View

Subject: Please make Highways 35, 84 and 9 a safety corridor

[You don't often get email from perperenicolas@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I risk my life every time I go ride my bike respectfully on this roads who looks more like a race track.

I live in Redwood City — I'm one of your constituents.

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05>

%7C02%7Cpubliccomment%40smcta.com%7C557988bfc25340373e8108deee6f59e8%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210359324964668%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=xoYSmXH0jWZIfWibL BL5Rg%2FseeuXfWHw33y5MdYKbSw%3D&reserved=0

Every month of delay is measured in lives.

With urgency,
Nicolas Perpere — Redwood City

Subject: Your constituents are dying on Hwy 35, 84 and 9
Date: Thursday, July 30, 2026 12:19:16 PM

You don't often get email from alexobrand@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride and drive on skyline and 84 and too often fear for my life. The road is beautiful and well maintained but too frequently drivers pass recklessly or intentionally close and it genuinely feels like killing you is an acceptable outcome for them. And it obviously happens. As a cyclist, some thing are within your control, but the vast majority is not. Safer infrastructure and respectful drivers can help to close the gap. Writing as your constituent in Palo Alto. A
CONSTITUENT PETITION — Highways 35, 84 and 9

_____ To the
leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below. THE FIXES I'M ASKING FOR: All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas> Please don't wait for the next death to act.

_____ Signed,

Being able to enjoy the beauty and nature available is vital. Having less risk of accident and even death is critical

Writing as your constituent in Mountain View.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05>

%7C02%7Cpubliccomment%40smcta.com%7Ce87b8abb22924e2f6f4e08deee7004f7%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210362230632692%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOilwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoITWFpbCislldUljoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=2OVyoTnRG%2FPPG%2BWK8UleDuorSeDd%2FWukNvB1BtqE%2B48%3D&reserved=0

Every month of delay is measured in lives.

With urgency,
Joe Garcia — Mountain View

Subject: Highways 35, 84 and 9: a preventable death toll

[You don't often get email from cmthorburn@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I vote in Portola Valley, and this corridor is important to all of us, whether we commute or recreate. We need safe speeds for safer communities!

A CONSTITUENT PETITION — Highways 35, 84 and 9 —

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cff59af1c782e436646a408deee702e9d%7C1a34d2f711e24a45b4cd47ceeb>

When I drive on 35, 84, or 9 I am always worried about cyclists and motorcyclists. I'm usually hounded by someone wanting to go too fast. Too many are dying.

I live in Portola Valley — I'm one of your constituents.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9 —————

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cf33a87a0edef44ba631308deee704053%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210363216654168%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C80000%7C%7C%7C&sdata=YuvsrRH1TtRtb3tjngoXMkCDZmTs%2B%2FPU%2ByDJhDmTpWA%3D&reserved=0>

Every month of delay is measured in lives.

Writing as your constituent in Cupertino.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

This is preventable — I'm asking you to prevent it.

Thank you,
Richard Blaibe — Cupertino

Subject: Adding my name: a safe corridor for Hwy 35, 84 and 9
Date: Thursday, July 30, 2026 12:28:26 PM

You don't often get email from [leksea@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I vote in Saratoga, and this corridor is mine too.

We live next to Saratoga gas station and in the last 3 years see an increase in reckless driving and speeding in our neighborhood, like running lights/stop signs, crossing the double yellow to illegally pass cars that observe the speed limit, and going 20 mph over the speed limits inside residential neighborhoods. The revving noise happens day and night and interferes with our sleep. The shoulder of Hwy 9 is littered with car and motorcycle parts that are re-deposited every week. The drives that engage in this activities bring nothing but noise and accidents to our community. We need the city of Saratoga and the law enforcement agencies to join forces and put an end to illegal racing on 9/35/84.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Please tell me what your office will do about it.

In earnest,
Alexandra Yakovleva — Saratoga

Subject: Fix Highways 35, 84 and 9 before the next death
Date: Thursday, July 30, 2026 12:29:43 PM

You don't often get email from aureliousf@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Adding safety measures that protect lives is one of the best ways to ensure these roads remain enjoyable for everyone who uses them. I strongly encourage the People in charge and the power to make changes, to enforce traffic laws with meaningful penalties for those whose unsafe behavior puts others at risk.

I would also encourage that we all recognize that bicycles are among the most efficient forms of transportation ever developed while also providing tremendous health and environmental benefits. Creating a safer roadway for cyclists will encourage more people to choose bicycling as a practical means of transportation, reducing traffic congestion, improving public health, and making our community safer and more enjoyable for all road users.

I vote in Los altos, and this corridor is mine too.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Every month of delay is measured in lives.

Signed,
Aurel Foglein — Los altos
aureliousf@gmail.com

Please improve the road safety and quality of highways 9, 35, 84 & 92
Thank you very much
Eric Forster

I live in Sunnyvale — I'm one of your constituents.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

In earnest,
Eric Forster — Sunnyvale

It's time to make recreation in the Santa Cruz mountains safe for future generations.

I vote in Los Altos, and this corridor is mine too.

A CONSTITUENT PETITION — Highways 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Every month of delay is measured in lives.

Signed,
Steven Rempel — Los Altos

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I often ride my bicycle on Skyline and Highway 9. I personally seen motorists taking excessive Liberties and risks with other people's lives by speeding and driving over the center line on these roads. Please help us to reduce tragic injuries and deaths.

I am a constituent, writing from Los Gatos.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

This is preventable — I'm asking you to prevent it.

Thank you,
Pete Heller — Los Gatos
peteheller@pacbell.net

I am a constituent, writing from Portola valley.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05>

In for safety

A CONSTITUENT PETITION — Highways 35, 84 and 9 — _____

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C3163761bac0c40080a9708deee723aa0%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210371724730534%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLj>

AuMDAwMCIslAiOiXaW4zMlslkFOljoITWFpbClslldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=iH3YXjwSCGLfwe9m
AcRpTjqO5g4PjY0MLOctOEuXPG0%3D&reserved=0

Please tell me what your office will do about it.

In earnest,
Valencia, mike — 94024

Hi Margaret, Thanks for letting me contact you regarding a concern I value - safety on Skyline Boulevard! I personally ride on this road, trying to cross it and do short traverse rides, on bicycle, several times per month. It's always the scariest part of a bike ride, trying to cross without getting hit by a car. I'm in the Western Wheelers bike group, the group in which Jakub Solovskiy rode, the young man (34 years old!) who was recently the innocent guy in his own lane doing nothing wrong, when a speeding Porsche from the opposite lane went out of control, killed Jakub, and slammed into a tree. I'd like to see CalTrans give higher priority to making the Skyline Boulevard safer, quickly! Sincerely, Steve Cutcomb, Mountain View bicyclist

I vote in Mountain View, and this corridor is mine too.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

This is preventable — I'm asking you to prevent it.

Thank you,
Steven D. Cutcomb — Mountain View

I live in Palo Alto — I'm one of your constituents.

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cff39dfb7c14141dfa15608deee72a438%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210373498644760%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAu>

MDAwMCIsIIAiOiJXaW4zMilslkFOIjoiTWfPbClslldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=vcaDEjf7zh7t7R8QiAH5D6M30Og36KiYYEq2brK6pHg%3D&reserved=0

Please don't wait for the next death to act.

With urgency,
Nicole Meye — Palo Alto

Dear officials and reporters,

I bike, hike, and drive along Route 35, Route 84, and Kings Mountain Road. Speeding cars and motorcycles are killing and injuring my fellow walkers, bikers, horseback riders, and car passengers weekly on Rts. 35, 84, and 9. Please slow traffic here now.

Writing as your constituent in San Carlos.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

This is preventable — I'm asking you to prevent it.

Thank you,
Arley Lewis — San Carlos

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

This is preventable — I'm asking you to prevent it.

Respectfully,
Scott sucher — Palo Alto

Subject: Your constituents are dying on Hwy 35, 84 and 9

[You don't often get email from david.johnson.dj@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I am a frequent bike rider and when I am on Skyline (Hwy 35) I am always shocked at how dangerous it is for bikers and pedestrians. It is a busy road for people accessing hiking trails and biking routes to the coast. With such high speed limit, lots of turns, frequently wet road conditions and people driving much too fast it is a death trap. I hope we do something here. At least reduce the speed limit. Adding bike lanes wouldn't be prudent. And more police patrols are to bust the unsafe drivers. Thank you.

I vote in San Carlos, and this corridor is mine too.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9 —————

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C46aa4b556e45465758b508deee7437d6%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210380227442342%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiBwLjAuMDAwMCIsIlAiOiJXaW4zMilslkFOljoitWTFpbCIsldUjoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=uGprGDu30eDhCw2qsubHq53M7rI0oEcG%2FUFIABaSeuM%3D&reserved=0>

Subject: Petition from Portola Valley: make Hwy 35, 84 & 9 a safety corridor

[You don't often get email from jerriewelch@hotmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Hiways 84, 35, and 9 have become increasingly more dangerous due to speeding cars and motorcycles and unsafe practices. The loss of lives due to serious accidents has increased, with two just recently. Very unsafe bicycle users.

I live in Portola Valley — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C0d1a051087f44209378a08deee7453a1%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210380894354127%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoitWFpbCIsIldUljoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=B94u69vk1f93z2Wbi pntT%2ByKtCwZ2A04Jf2ZMn5oCOA%3D&reserved=0>

This is preventable — I'm asking you to prevent it.

Respectfully,

Subject: Petition from Portola Valley: make Hwy 35, 84 & 9 a safety corridor

[You don't often get email from jerriewelch@hotmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Hiways 84, 35, and 9 have become increasingly more dangerous due to speeding cars and motorcycles and unsafe practices. The loss of lives due to serious accidents has increased, with two just recently. Very unsafe bicycle users.

I live in Portola Valley — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C0d1a051087f44209378a08deee7453a1%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210380894354127%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=B94u69vk1f93z2Wbi pntT%2ByKtCwZ2A04Jf2ZMn5oCOA%3D&reserved=0>

This is preventable — I'm asking you to prevent it.

Respectfully,
Jerrie Welch — Portola Valley

Subject: Please make Highways 35, 84 and 9 a safety corridor

[You don't often get email from sacajaweasoul@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

As a sometime-bicyclist also, I have a file of bicyclists killed in that area and elsewhere, so numerous are they, some known or friends who have left families behind. I also want to educate bicyclists to wear bright colors that reflect light: orange, yellow, etc. as others are not seen in shaded road areas. It is distressing to see some bicyclists still wearing black tops. Thank you for changing this dynamic to save bicyclists' lives & grief of those left behind. Not just signs: attitudes/behavior!

I live in Portola Valley — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C9c609670cee844edf8c308deee748e64%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210381721235369%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbClslldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=BuaCd2Axb4IT2lXr4eLXAb3BjCH2YsiBAsp%2F5k4ojBI%3D&reserved=0>

Please don't wait for the next death to act.

In earnest,

Margaret (Koerner) Goodrich — Portola Valley sacajawesoul@gmail.com

People I love live and ride in these hills. People other folks love are dying in these hills, on motorcycles, in cars, on bikes. There is no reason that mountain highways should be a racetrack.

Writing as your constituent in Menlo Park.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

This is preventable — I'm asking you to prevent it.

Respectfully,
Katie Behroozi — Menlo Park

Please act to correct the Skyline safety issues before more innocent people die.

Speed cameras, 35 mph speed limits, new signage, strong weekend enforcement are all great ideas for improvement . We need this to happen

Thank you

I live in Los Altos — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Please tell me what your office will do about it.

Respectfully,

Richard Herms — Los Altos
rich_herms@yahoo.com

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please don't wait for the next death to act.

Signed,
Lanier Benkard — Stanford

Subject: 47 dead on Hwy 35/84/9 — petition for a safety corridor
Date: Thursday, July 30, 2026 1:10:44 PM

You don't often get email from anne.valta@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride on these roads weekly and I have personally seen and felt the speeds go up since the Pandemic. There are often groups of cars that are zipping by, treating these roads as their private race course. They do not respect cyclist or anyone else, unfortunately.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

This is preventable — I'm asking you to prevent it.

With urgency,

Subject: Fix Highways 35, 84 and 9 before the next death

[You don't often get email from smoatazedi@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride this corridor multiple times a week. Cars turn this corridor into a race track doing insane speeds. There is not enough enforcement or penalties for driving recklessly in this corridor.

I live in Mountain View — I'm one of your constituents.

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C0904c887b1624bef628808deee76b21a%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210390889960243%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIiOiIjXaW4zMilslkFOljoITWFpbClldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=VrVENDg1ZCGTUyt %2B8%2FXOJRqhR%2FbOU9iirQAePwNnk%3D&reserved=0>

Every month of delay is measured in lives.

Signed,
Shahram Moatazedi — Mountain View

Subject: I'm asking you to act on the Hwy 35/84/9 corridor
Date: Thursday, July 30, 2026 1:16:44 PM

You don't often get email from penn@xovox.tech. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I drove, hike, and bicycle along and around these highways and the car racing that goes on there (in groups and individually) create a dangerous environment for everyone no matter the mode of transportation.

I am a constituent, writing from Belmont.

PETITION — Safe Corridor for Highways 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please tell me what your office will do about it.

Thank you,

Subject: The roads to the coast are killing people — please act

[You don't often get email from cavahlberg@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I drive, ride a road bike, and hike the open spaces along this corridor. I would like everyone to have safe access. Please address the safety issues so everyone can enjoy without risk of bodily injury or death.

I live in Palo Alto — I'm one of your constituents.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE _____

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

Hi all,

Thank you for sharing important feedback on your experience regarding roadway safety in Santa Cruz County. Copied here is our local CHP Commander Capt. Grant Boles, who like us at the Sheriff's Office, is dedicated to protecting those that traverse our roadways. Capt. Boles team is very responsive, and I know appreciate hearing your experiences.

Respectfully,

Chris

Subject: 47 dead on Hwy 35/84/9 — petition for a safety corridor

******CAUTION:** This is an EXTERNAL email. Exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email. ****

I ride on these roads weekly and I have personally seen and felt the speeds go up since the Pandemic. There are often groups of cars that are zipping by, treating these roads as their private race course. They do not respect cyclist or anyone else, unfortunately.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by

the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

With urgency,
Anne Valta — Santa Clara

Subject: Your constituents are dying on Hwy 35, 84 and 9
Date: Thursday, July 30, 2026 1:20:49 PM

You don't often get email from [aja10499@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I cycle on this corridor nearly daily. So many people here appreciate the natural world and accessing it safely and responsibly is our duty. The current state of affairs on the roads is unacceptable and the loss of life is felt very deeply throughout our communities.

I live in Palo Alto — I'm one of your constituents.

PETITION — Safe Corridor for Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Every month of delay is measured in lives.

With urgency,
Alexander Joseph Almeida — Palo Alto

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I drive 82 every month to volunteer on coast. I am also a road cyclist. I ride many roads from Aptos to Pacifica. I see so many cars speeding and/or chasing each other. Too many tight curves. Please help lower deaths.

Thank you.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. Our property borders Skyline just north of Alice's Restaurant. I have been riding these roads for 48 years.

Writing as your constituent in Woodside.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cfa21501249ab43a6266e08deee78296a%7C1a34d2f711e24a45b4cd47cee>

b1d21be%7C0%7C0%7C639210397185861924%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslIAiOiJXaW4zMlslkFOljoITWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=2p25VKeLp3Rgog2RiSjXhco5DW0v1tx9ix10%2BAscTk%3D&reserved=0

Please tell me what your office will do about it.

In earnest,

Subject: Your constituents are dying on Hwy 35, 84 and 9

[You don't often get email from audrey.toda@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Please stop the deaths. I want my children and neighbors, as well as people who just enjoy cycling, to be able to do so in our area without fear of injury and death.

I live in Woodside — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

Subject: Petition from Menlo Park: make Hwy 35, 84 & 9 a safety corridor
Date: Thursday, July 30, 2026 1:26:08 PM

You don't often get email from [mzrascoff@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I am regular user of this corridor. It's unsafe today and needs improvements. I embrace the ideas presented here.

Matthew Rascoff

Menlo Park Complete Streets Commissioner

Writing as your constituent in Menlo Park.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/#ideas>

Please don't wait for the next death to act.

Thank you,
Matthew Rascoff — Menlo Park

I ride on skyline and I'm always worried about the speeding cars there, especially on the weekends. This is a beautiful place to ride and hike, and having a safe corridor will save lives and will make everyone (rider, Hikers and drivers) safer and less stressful when traveling on those roads.

I am a constituent, writing from Sunnyvale.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Every month of delay is measured in lives.

In earnest,
Shay Mandel — Sunnyvale

Hello,

I used to bike in this area every week with my 16 year old son, but this area has become so dangerous we're avoiding it. We're looking forward to returning to this beautiful area once it becomes safe again.

I vote in Campbell, and this corridor is mine too.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

I'll be watching what your office does with this.

Signed,
Bryan Katis — Campbell

I ride a bike and pay taxes here. Please make it safer. I vote in palo alto, and this corridor is mine too. SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

_____ To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below. WHAT I'M ASKING YOU TO FUND AND BUILD: All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas> I'll be watching what your office does with this.

Subject: Please make Highways 35, 84 and 9 a safety corridor

[You don't often get email from hmgreenfield30@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride this road often with my son as well.

I live in Los Gatos — I'm one of your constituents.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Ce283f7bf8e4c405deda408deee79aecd%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210403722878233%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=CUXLgx255GgzTgkzDHF3Zpj9490N8VhLX4dt8jCE0mQ%3D&reserved=0>

I'll be watching what your office does with this.

In earnest,
howard greenfield — Los Gatos

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please don't wait for the next death to act.

Signed,
Lanier Benkard — Stanford

Subject: 47 dead on Hwy 35/84/9 — petition for a safety corridor
Date: Thursday, July 30, 2026 1:10:44 PM

You don't often get email from anne.valta@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride on these roads weekly and I have personally seen and felt the speeds go up since the Pandemic. There are often groups of cars that are zipping by, treating these roads as their private race course. They do not respect cyclist or anyone else, unfortunately.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

This is preventable — I'm asking you to prevent it.

With urgency,
Anne Valta — Santa Clara

Subject: Fix Highways 35, 84 and 9 before the next death

[You don't often get email from smoatazedi@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride this corridor multiple times a week. Cars turn this corridor into a race track doing insane speeds. There is not enough enforcement or penalties for driving recklessly in this corridor.

I live in Mountain View — I'm one of your constituents.

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C0904c887b1624bef628808deee76b21a%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210390889960243%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbClldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=VrVENDg1ZCGTUyt %2B8%2FXOJRqhR%2FbOU9iirQAePwNnk%3D&reserved=0>

Every month of delay is measured in lives.

Signed,
Shahram Moatazedi — Mountain View

Subject: The roads to the coast are killing people — please act

[You don't often get email from cavahlberg@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I drive, ride a road bike, and hike the open spaces along this corridor. I would like everyone to have safe access. Please address the safety issues so everyone can enjoy without risk of bodily injury or death.

I live in Palo Alto — I'm one of your constituents.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE _____

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C9de177af1626449c9a6d08deee778aa2%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210394556407187%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslAIiOiJXaW4zMilslkFOljoITWFpbCIsIldUljoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=lem1xczmrHADc4jfvV%2BNK1tsqNH0IrV49kQacsfdiSM%3D&reserved=0>

Please don't wait for the next death to act.

Hi all,

Thank you for sharing important feedback on your experience regarding roadway safety in Santa Cruz County. Copied here is our local CHP Commander Capt. Grant Boles, who like us at the Sheriff's Office, is dedicated to protecting those that traverse our roadways. Capt. Boles team is very responsive, and I know appreciate hearing your experiences.

Respectfully,

Chris

CHRIS CLARK

Subject: 47 dead on Hwy 35/84/9 — petition for a safety corridor

******CAUTION:** This is an EXTERNAL email. Exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email. ****

I ride on these roads weekly and I have personally seen and felt the speeds go up since the Pandemic. There are often groups of cars that are zipping by, treating these roads as their private race course. They do not respect cyclist or anyone else, unfortunately.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by

the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

With urgency,
Anne Valta — Santa Clara

Subject: Your constituents are dying on Hwy 35, 84 and 9
Date: Thursday, July 30, 2026 1:20:49 PM

You don't often get email from [aja10499@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I cycle on this corridor nearly daily. So many people here appreciate the natural world and accessing it safely and responsibly is our duty. The current state of affairs on the roads is unacceptable and the loss of life is felt very deeply throughout our communities.

I live in Palo Alto — I'm one of your constituents.

PETITION — Safe Corridor for Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Every month of delay is measured in lives.

With urgency,
Alexander Joseph Almeida — Palo Alto

I drive 82 every month to volunteer on coast. I am also a road cyclist. I ride many roads from Aptos to Pacifica. I see so many cars speeding and/or chasing each other. Too many tight curves. Please help lower deaths.

Thank you.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. Subject: Petition: designate & fund a safe corridor on Hwy 35, 84 and 9

[You don't often get email from keith.simon@icloud.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Our property borders Skyline just north of Alice's Restaurant. I have been riding these roads for 48 years.

Writing as your constituent in Woodside.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cfa21501249ab43a6266e08deee78296a%7C1a34d2f711e24a45b4cd47cee>

b1d21be%7C0%7C0%7C639210397185861924%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslIAiOiJXaW4zMlslkFOljoITWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=2p25VKeLp3Rgog2RisJxhco5DW0v1tx9ix10%2BAsdcTk%3D&reserved=0

Please tell me what your office will do about it.

In earnest,
Keith Simon — Woodside

Subject: Petition from San Carlos: make Hwy 35, 84 & 9 a safety corridor

[You don't often get email from mfogel427@yahoo.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I am an avid, safe cyclist who loves to ride in our beautiful hills. Please make it safer for all cyclists, pedestrians, residents, drivers who are needlessly at risk of injury and death.

I am a constituent, writing from San Carlos.

Thank you,
Michael Fogel

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9 —————

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C2dcb9c31f07d4e0cf82b08deee784714%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210397700319714%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslAIiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=RJBGBWoCG1VQuW4VjpfQ98U6uPyvxHJQa3xqxnRE164%3D&reserved=0>

I'll be watching what your office does with this.

With urgency,
Michael Fogel — San Carlos

Subject: Your constituents are dying on Hwy 35, 84 and 9

[You don't often get email from audrey.toda@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Please stop the deaths. I want my children and neighbors, as well as people who just enjoy cycling, to be able to do so in our area without fear of injury and death.

I live in Woodside — I'm one of your constituents.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9 —————

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C54f33e905ef040668c7408deee789e1f%7C1a34d2f711e24a45b4cd47ceeb>

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride on skyline and I'm always worried about the speeding cars there, especially on the weekends. This is a beautiful place to ride and hike, and having a safe corridor will save lives and will make everyone (rider, Hikers and drivers) safer and less stressful when traveling on those roads.

I am a constituent, writing from Sunnyvale.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Every month of delay is measured in lives.

In earnest,
Shay Mandel — Sunnyvale
shay.mandel@gmail.com

Subject: Petition from Campbell: make Hwy 35, 84 & 9 a safety corridor
Date: Thursday, July 30, 2026 1:29:08 PM

You don't often get email from bkatis@gmail.com. [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Hello,

I used to bike in this area every week with my 16 year old son, but this area has become so dangerous we're avoiding it. We're looking forward to returning to this beautiful area once it becomes safe again.

I vote in Campbell, and this corridor is mine too.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

I'll be watching what your office does with this.

Signed,
Bryan Katis — Campbell

I ride this road often with my son as well.

I live in Los Gatos — I'm one of your constituents.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE _____

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every

site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Ce283f7bf8e4c405deda408deee79aecd%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210403722878233%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=CUXLgx255GgzTgkzDHF3Zpj9490N8VhLX4dt8jCE0mQ%3D&reserved=0>

I'll be watching what your office does with this.

In earnest,

Subject: 47 dead on Hwy 35/84/9 — petition for a safety corridor

[You don't often get email from dennislpayton@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride bicycles and hike through these corridors and into the redwoods. There are far too many cars and motorcycles at high rates of speed and inexperienced drivers ... they should all be on a speedway build for that and not on perseve areas putting other in danger or forcing cyclists, hikers, visitors out. I am also a motor cyclist (very slow touring , if I want speed I go to the track where I'm the only one in danger). Let's solve this problem so that all can enjoy safe and quite surrounding in the beauty of our Bay Area. Thank you for your attention to this critical life saving effort.

I live in San Jose — I'm one of your constituents.

A CONSTITUENT PETITION — Highways 35, 84 and 9 —————

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

Writing as your constituent in Woodside.

A CONSTITUENT PETITION — Highways 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

THE FIXES I'M STANDING BEHIND:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please tell me what your office will do about it.

In earnest,
Shawnery Hardin — Woodside

I am a cyclist who rides on all three of these roads. Skyline (35) is particularly frightening. I have been passed too closely many times by speeding cars and motorcycles, when there was plenty of passing room on the road. I'm saddened, but not surprised by the number of fatalities. Enforce the speed limit, especially on weekends!

Writing as your constituent in Mountain View.

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

Signed,
Yvonne Walbroehl — Mountain View

I vote in Sunnyvale, and this corridor is mine too.

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9 —

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7Cc62d2591acd2422f957608deee7b1aaf%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210409832223510%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjA>

Dear Senator Becker, Assemblymember Berman, Honorable Members of the San Mateo County Board of Supervisors, Honorable Members of Portola Valley and Woodside Town Councils, and all concerned agencies and individuals,

First, thank you for your work on behalf of public safety and the well-being of our communities.

As a former county-wide elected official who dealt frequently with issues pertaining to public safety, I am in full support of the petition Safe Corridor for Highways 35, 84, and 9.

Safe corridors prevent life-altering tragedies. Behind every statistic of high-speed collisions, distracted or unsafe driving, there are real people—family members, friends, and neighbors simply trying to reach a destination or enjoy their lives. When a highway is engineered well, properly maintained, and respected by the drivers sharing it, it provides peace of mind that everyone will make it home to the people who love them. Safety isn't just about rules and guardrails; it's about protecting human vulnerability and preserving lives.

In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now.

There are 44 catalogued fixes on the campaign page including 3 core asks along with site-specific fixes where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C2e4cfc63d3624873139308deee7b5755%7C1a34d2f711e24a45b4cd47cee b1d21be%7C0%7C0%7C639210410827611271%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslIAiOiJXaW4zMilslkFOljoiTWFpbCIsIldUljoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=MmHdlldw37WwVvt fVUCT4ugEsZrPjFTTDCxYZ%2B5loalk%3D&reserved=0>

PETITION — Safe Corridor for Highways 35, 84 and 9 —————

To everyone with the power to make these roads safe: The federal crash record counts 47 people killed on Highways 35, 84 and 9 in five years — most in a single, predictable pattern of speed and curve. This can be engineered out. I'm asking you to formally designate a safety corridor, fund and construct the complete-streets improvements these highways require, comply with SB 960, and fund real enforcement in the meantime. Below are the specific fixes I stand behind and the decision-makers I'm calling on.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:
<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C0d6ac4f33378417e8dab08deee7b5f27%7C1a34d2f711e24a45b4cd47ceeb1d21be%7C0%7C0%7C639210410988079180%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIwLjA1MDAwMCIiOiIiXW4zMilslkFOljoITWVpbCIsIldUIjoyfQ%3D%3D%7C60000%7C%7C%7C&sdata=fklscw8FF85UEKr6tWxgc59kPbuPaiXYP%2B6r%2BbaT5Wc%3D&reserved=0>

This is preventable — I'm asking you to prevent it.

With urgency,
Alvin Vega — Burlingame

I am a cyclist and frequently ride on Hwy 35 and always worry about the speed of traffic, particularly motorcycles. This road needs to be safe for all of us particularly at the intersection with Hwy 84 where there is no stop sign for travelers on Hwy 35. I have witnessed too many close calls there.

A CONSTITUENT PETITION — Highways 35, 84 and 9

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

THE FIXES I'M ASKING FOR:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

Writing as your constituent in San Jose.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

This is preventable — I'm asking you to prevent it.

Respectfully,
David Marancik — San Jose

SAFE-CORRIDOR PETITION — Highways 35, 84 and 9

While most of this message was drafted for me, I want to start with a personal message.

I have two teenage sons who are about to start driving. They have grown up by 35 and 84 and seen horrible accidents in-person during that time. They know how unsafe our roads are. I am not generally a fearful person, but I am deeply worried for them as they go out on these streets. They are cautious kids - it's not their driving I'm concerned for. It's the cars who think they are racing. Or the motorcycles that cross the double yellow lines with abandon. Please do something.

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Please don't wait for the next death to act.

Signed,

Rachel Guedelhofer

PETITION FOR A SAFE CORRIDOR — Hwy 35, 84 and 9

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. We, the undersigned, ask you to formally designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. Below are the specific fixes we support and the people we're asking to act.

WHAT I'M ASKING YOU TO FUND AND BUILD:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com/ideas>

Please don't wait for the next death to act.

Signed,

I'm a cyclist because I love being outdoors, challenging myself, and experiencing the freedom that comes with every ride. Yet every time I clip into my bike, I know there's a chance I may not make it home. No one should have to choose between doing what they love and staying alive. I just want everyone to enjoy every ride with the confidence that we will return home safely to our families.

I vote in San Carlos, and this corridor is mine too.

PETITION TO MAKE HIGHWAYS 35, 84 AND 9 SAFE

To our elected leaders and the agencies that own these roads: Highways 35, 84, and 9 through the Santa Cruz Mountains have killed 47 people in the last five years of federal records — most in the same way, too much speed built on a straight and spent at the next curve. Subject: I'm asking you to act on the Hwy 35/84/9 corridor

[You don't often get email from casrir@gmail.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

Please do what you can to make Skyline, 84 and Highway 9 safer for everyone. I'm a local resident, hiker and cyclist and just lost my friend and cycling friend Jakub to a speeding racer two weeks ago, when the driver lost control of his car, crossing into the other lane, hitting Jakub head on and killing him.

According to the The Transportation Injury Mapping System from UC Berkeley, there have been almost 900 crashes in the last five years on Skyline, 84 and Highway 9, several of them fatal. That's completely unacceptable. Please prioritize putting more patrol cars (CHP and Sheriffs office) on these roads, especially on the evenings and weekends when the racing clubs are out. We also need Caltrans to take this seriously, and install speed cameras and radar, lower speed limits, more signage, more stop signs and other traffic calming measures.

The South Coast Traffic Advisory Panel under Supervisor Mueller's office published a report in May this year with detailed recommendations for making these roads safer for everyone. Please read the report and work to implement these recommendations before more lives are needlessly lost. The residents live in terror and hundreds of innocent people are being hurt and killed every years, while the super speeders face no consequences. It's time to change this.

We also ask that the driver who killed Jakub be held accountable for his actions and is charged and prosecuted. Thank you for taking this matter seriously and taking action now.

I am a constituent, writing from Redwood City, CA.

PETITION — Safe Corridor for Highways 35, 84 and 9 —

To the leaders and agencies responsible for Highways 35, 84 and 9: Over the last five years of federal records, 47 people have died on these three mountain roads — again and again in the same way, speed built on a straightaway and lost at the following curve. I'm adding my name to a simple demand: designate this a safety corridor, fund and build the complete-streets fixes the road needs, meet your obligations under SB 960, and put real enforcement out here now. The fixes I support and the officials I'm asking to act are listed below.

THE SPECIFIC FIXES I SUPPORT:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died:

<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fsafecorridorinitiative.com%2F%23ideas&data=05%7C02%7Cpubliccomment%40smcta.com%7C3ab165c8349a42c1d42008deee7d2822%7C1a34d2f711e24a45b4cd47cee1d21be%7C0%7C0%7C639210418628374350%7CUnknown%7CTWFpbGZsb3d8eyJFbXB0eU1hcGkiOnRydWUsIlYiOiIlwLjAuMDAwMCIslIAiOiJXaW4zMlslkFOljoITWFpbCIsIlldUljoyfQ%3D%3D%7C40000%7C%7C%7C&sdata=MoNM9ewl2d%2FibQLgYgkwt1My7ueJzJzGxAuO%2FpcSiZo%3D&reserved=0>

This is preventable — I'm asking you to prevent it.

Respectfully,

Cindy Asrir — Redwood City, CA

PETITION — Safe Corridor for Highways 35, 84 and 9 — _____

To our representatives and the agencies that own Highways 35, 84 and 9: Forty-seven people are dead on this corridor in the last five years of federal data — killed, mostly, by the same combination of a long straight and a sharp curve. I refuse to treat that as normal. Please designate a safety corridor, fund and build the complete-streets fixes these roads need, comply with SB 960, and put real enforcement on this corridor now. The fixes I support and the people I'm asking to act are below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

Subject: Petition from Portola Valley: make Hwy 35, 84 & 9 a safety corridor
Date: Thursday, July 30, 2026 2:03:32 PM

You don't often get email from [stevenaenns@gmail.com](#). [Learn why this is important](#)

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders.

I ride Skyline/SR-35 every day, sometimes with my 10-month-old daughter. I don't want to ride on Skyline because it's dangerous, but I must use it briefly to connect park trails, climbs, descents, and otherwise safe roads. It often feels as though law enforcement has conceded this public road to wealthy drivers using it as a playground for high-performance cars, at the expense of families and neighbors accessing our parks and trails. Dangerous driving belongs on a racetrack, not on a public highway. Please provide real enforcement and make SR-35 safe for everyone.

I am a constituent, writing from Portola Valley.

A CONSTITUENT PETITION — Highways 35, 84 and 9

To the officials and agencies accountable for these roads: In five years of federal records, Highways 35, 84 and 9 have taken 47 lives — the crashes cluster at the same bends, where speed built on a straightaway meets a curve. I'm one of many neighbors asking you to act: designate a safety corridor, fund and build the complete-streets fixes, comply with SB 960, and bring real enforcement to this corridor now. My supported fixes and the officials I'm addressing follow below.

SPECIFIC FIXES THIS CORRIDOR NEEDS:

All 44 catalogued on the campaign page — the three core asks and every site-specific fix where people have died: <https://safecorridorinitiative.com#ideas>

Please don't wait for the next death to act.

In earnest,
Steven Enns — Portola Valley
