

SAN MATEO COUNTY TRANSPORTATION AUTHORITY

MEASURE A AND MEASURE W PEDESTRIAN AND BICYCLE PROGRAM CALL FOR PROJECTS CYCLE 5

COUNTY OF SAN MATEO

SANTA CRUZ AVENUE AND ALAMEDA DE LAS PULGAS IMPROVEMENTS

The project will address significant safety improvements along this heavily traveled corridor within unincorporated West Menlo Park along portions of Santa Cruz Avenue and Alameda De Las Pulgas surrounding the uncomfortable Y intersection. Narrow sidewalks, a lack of dedicated bicycle facilities, non-compliant ADA curb ramps, and pedestrian crossings with low visibility create deficiencies for all active transportation users.

The project will implement safety & access improvements by reducing travel lanes & lane widths to calm traffic, installing dedicated Class II Bike Lanes or better for bicyclists, constructing wider sidewalks, and shorten crossings for pedestrians. Additional bicycle and pedestrian improvements include: bike boxes for turning movements, buffered green bike lanes, dashed green conflict zones, bicycle detection loops, bulb-outs, and median islands to reduce crossing widths, bicycle/pedestrian signal modifications, and rectangular rapid flashing beacon.

PROJECT INFORMATION

Project Type	Small Infrastructure
Phases Requested	
<i>PLAN</i>	Completed
<i>PAED</i>	Yes
<i>PS&E</i>	Yes
<i>ROW</i>	Not Applicable
<i>CON</i>	Not Requested
Located in a Community of Concern?	No

PROJECT COSTS

Total Project Budget	\$950,000
Funding Requested	\$700,000
Local Match Amount	\$250,000
Local Match Percentage	26%

PROJECT AWARD

Awarded Amount	\$700,000
